Gurmeet Singh Ahluwalia
Chair, Board of Directors
Seva Food Bank
10-3413 Wolfedale Rd.
Mississauga, ON

Dear Mr. Ahluwalia,

I am pleased to offer greetings and words of appreciation to Sikhs Serving Canada on the occasion of the Grand Opening of The Seva Food Bank.

Your group is to be commended most highly for your contribution to improving the quality of life for Sikh families in Mississauga. Thanks to the hard work and generosity of your board and volunteers, hundreds of low-income families will have nutritious and culturally appropriate food for their table.

Your mission is to have a positive impact on local communities. The new food bank more than meets this goal. With food security and community support, families are able to focus on realizing their potential and getting ahead.

On behalf of Ontario's NDP, I would like to express my thanks for your significant contribution to creating a better quality of life for those who need your help.

Although I am not able to attend your ribbon cutting in person, I am proud to see the community action that is being taken and I wholeheartedly support the work you are doing.

Through this project you are giving a positive illustration of your belief in tending to the wellbeing of all and dedication to selfless service. I applaud Sikhs Serving Canada.

Sincerely,
